The 10 Year Framework Programme (10YFP) is a global framework of actions to accelerate the shift towards sustainable consumption and production through international cooperation. It is composed of six programs and working areas, including sustainable public procurement (SPP).

Under the 10YFP on SPP led by UN Environment, ICLEI will implement a two-year project to support Chinese and Korean cities in enhancing green public procurement at the local level with regional partners.

**GPP WORLDWIDE @ ICLEI**

ICLEI co-ordinates the European Sustainable Procurement Network Procura+ and the Global Lead City Network on Sustainable Procurement. Both networks gather cities committed to sustainable and innovation procurement.

**GPP CHINA @ ICLEI**

**EcoProcura China**
ICLEI East Asia has successfully organized two “EcoProcura China” international forums on municipal green public procurement since 2014.

**China GPP Partnership**
Established in 2015 by ICLEI East Asia, “China GPP Partnership” aims to enhance awareness and accelerate the effective implementation of GPP.

---

"Green Public Procurement (GPP) is the process whereby public authorities seek to procure goods, services and works with a reduced environmental impact throughout their life cycle."

**European Commission**

---

**OUR OFFER**
- Technical Support / local and global experts on GPP implementation
- Capacity Building / customized GPP training for local governments
- Impact Monitoring / quantifiable GPP-related GHG emissions reduction and energy savings
- Case Study / global dissemination of city’s achievements through 10YFP & ICLEI
- Pioneer Network / opportunities to join Global Lead City Network on Sustainable Procurement and connect to cities worldwide
- International Participation / opportunities to engage in events such as UNFCCC COP

**WHAT TO EXPECT**
- ✔ Green economy transition & green market boost
- ✔ Political visibility of local eco-civilization
- ✔ Global exposure as a leading sustainable city

**PARTNERS**
- China Environmental United Certification Center (CEC)
- APEC Cooperation Network on Green Supply Chain Tianjin Pilot Center (TGCC)
- Korea Environmental Industry & Technology Institute (KEITI)

---

ICLEI - Local Governments for Sustainability
is the leading global network of over 1500 cities, towns and regions committed to building a sustainable future.
